01/02/2021

Dear Clare,

We would like to take this opportunity to express our deep gratitude and appreciation for the food you donated to our foodbank. We could not operate or support the many people – individuals, couples and families that come to us in need, without such kindness actively displayed by your contributions.

The total amount of food you donated was:

**77.9 kg**

The food will be used or has already been used to benefit many.

Therefore, please pass on our gratitude to everyone who contributed. May we look forward to receiving from you again in the future.

Many thanks,

**Jules Ibbitt**
